Important safety information

-  All electrical work must be done by a registered electrician in accordance with local and national electrical codes as applicable. For your safety, this product must be earthed.
-  If the supply cord of this equipment is damaged, it must only be replaced by the manufacturer or its service agent or a similarly qualified person in order to avoid a hazard.
-  This rangehood is designed for indoor use only and must be in a dry location.
-  Disconnect the power supply when changing light bulbs.
-  This appliance can be used by children aged from 8 years and above and persons with reduced physical, sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning use of the appliance in a safe way and understand the hazards involved. Children shall not play with the appliance. Cleaning and user maintenance shall not be made by children without supervision.
-  Young children should be supervised to ensure that they do not play with the appliance.
-  There shall be adequate ventilation of the room when the rangehood is used at the same time as appliances burning gas or other fuels.
-  There is a fire risk if cleaning is not carried out in accordance with the instructions. You must read the details concerning the method and frequency of cleaning.
-  Do not flambé under the rangehood.
-  Exhaust air must not be discharged into an existing flue which is used for exhausting fumes from appliances burning gas or other fuels.
-  The minimum distance between the hob surface and the lowest part of the rangehood is 600mm. This distance shall be at least 650mm, if the rangehood is installed over a gas hob. If the instructions for the gas hob specify a greater distance, this has to be taken into account.
-  Attention should be given to ensure that any applicable regulations concerning the discharge of exhaust air is fulfilled.
-  **CAUTION:** Accessible parts may become hot when used with cooking appliances.

Wall Mounting

For mounting with rear rectangular ducts on internal walls cut hole to dimensions shown (UNIDUCT ONLY)

For external walls cut hole 90 x 290mm (UNIDUCT ONLY)

For stainless steel models ensure the plastic protective covering is removed before installation.

If the instructions for the gas hob specify a greater distance, this has to be taken into account.

The minimum distance between the hob surface and the lowest part of the rangehood is 600mm. This distance shall be at least 650mm, if the rangehood is installed over a gas hob. If the instructions for the gas hob specify a greater distance, this has to be taken into account.

Under Cupboard Mounting

Mounting Options

Once mounting option has been decided, follow the instructions below.

NOTE: Mounting screws are not supplied. Use the appropriate mounting screws for each mounting option.

WARNING: Failure to install the screws or fixing device in accordance with these instructions may result in electrical hazards!

For Mounting to Rear Wall

Mounting to a stud is recommended. However if fitted to gyprock board, a wall plug is required. Use the appropriate wall plug for the appropriate type of wall.

For Mounting Under Cupboard

Check the screw length with thickness of cabinet panels.

The power plug must be accessible after installation of the product to allow the unit to be disconnected from the power for cleaning and maintenance.

Ducting

If the rangehood is installed in the recirculating mode, unscrew and slide out the vent cover "A". If the rangehood is to be installed as a ducted unit, remove the appropriate duct knock-out (top or rear) and ensure the vent cover is fastened in place. Refer also to Ducting Options (Next page).

Ducting Options

⚠ Note: When ducting, exhaust air must not be discharged into any chimney or flue which may carry combustion products from other sources. In addition, exhaust air must not be discharged into a wall cavity, unless designed for the purpose.

Operation & Cleaning

Operation

After your Rangehood is fixed in position:

1. Check that the light and the diffuser are in place.
2. Plug into 230-240V outlet.

- ⚠** Keep power cord clear of stove elements or hot utensils.
- ⚠** Permanent wiring to house supply, or modifications to plug or wire must be carried out by a registered electrician.

Cleaning

- ⚠** Disconnect the Rangehood from power supply.
1. Wash aluminium filters every 2 or 3 months, depending on usage, with hot soapy water or in the dishwasher.
 2. Charcoal filters should be replaced every three to six months depending on use.
 3. Clean the external and internal surfaces including the fan blades, using a damp cloth and mild detergent.
- ⚠** Do not use any powder or abrasive cleaners.

Lamp Replacement

To replace a lamp, first disconnect the rangehood from the power supply and allow the lamp to cool down before touching

1. Remove the screw holding the diffuser in place and remove diffuser
2. Replace lamp (25 watt max).
3. Slide diffuser back into aperture and fix the screw back in place.

"Original purchase", when used in this certificate, means purchase by the customer directly from Monaco or one of its approved suppliers.

2. This warranty is limited to the repair or replacement, at our option, within the warranty period of any component part which we at our discretion determine to contain faulty materials or a manufacturing defect in breach of this warranty. This warranty is subject to terms and conditions set out in this certificate.
3. The warranty only applies within New Zealand.
4. The customer must produce the original invoice or other purchase documentation as proof of the original purchase date.

Warranty exclusions

1. The warranty does not apply where, in Monaco's opinion:
The defect is caused by misuse, wear and tear, dirt, fire or accidental damage.
The product has been repaired or serviced by an unauthorised person.
The product was not installed in accordance with our instructions.
The product was purchased overseas or was not designed for use in New Zealand.
The product was not used, cleaned or cared for in accordance with our instructions.
The product was used outdoors.
2. In addition, this warranty does not extend to damage or defects which in our opinion, directly or indirectly arise from or are due to:
Exposing the product to acidic or corrosive materials or chemicals such as dyes, solvents, denture cleaner or acetone;
Using inappropriate household cleaning products such as abrasive cream or powder cleansers, furniture polish, bleach, mentholated spirits, drain cleaners, sugar soap, metal pads and strongly alkaline or acidic cleaners;
Heat damage, including from washing the product at high temperatures;
Impact or mishandling the product, including the impact caused by objects scraped along, thrown or dropped on the product surface or excessive weight being placed on the product;
Structural or support changes in or affecting the building or the application where the product has been installed;
Failure to clean or maintain the product as recommended; or
any other causes specified in the product information as being excluded from this warranty.
3. Variations with the colour or gloss within the product or any ageing or fading of colour, shine or gloss level over time are not covered by this warranty. The warranty does not cover visual imperfections or blemishes in the surface and edges of the product that were not brought to your supplier's attention at the time you inspected the product.
4. Costs incurred on installation or removal of a product, or any reinstallation of a product, or any associated costs, are not covered by this warranty.
5. Monaco will not be liable for consequential or indirect loss or damage whatsoever and however arising out of or in connection with the supply, performance or removal of the product, including (but not limited to) loss of profit, loss of revenue, loss of contract, loss of goodwill or increased cost of workings, even if due to the negligence of Monaco or any of its approved suppliers, employees or agents.
6. Charcoal filters and light bulbs are not covered by this warranty
7. This warranty and the statements contained in this certificate or other documents given to you do not exclude, restrict or modify the application of any term implied into this warranty by statute, provided that (to the extent any statutory provision permits Monaco to limit its liability for a breach of an implied condition or warranty) Monaco's liability for such breach is limited to the payment of the cost of replacing the product, repairing the product or acquiring an equivalent product.
8. Subject to clause 5, our obligations under this warranty are limited to those set out in this certificate, and this warranty is expressly instead of all other warranties, express or implied, including any implied warranty of merchantability or fitness for a particular purpose and notwithstanding any course of dealing between the parties or custom and usage in trade to the contrary.

Terms and conditions are subject to change.
