

Norman is a real person and is our expert head of Quality Assurance. Norman appears here to bring to your attention features, technical or quality issues.

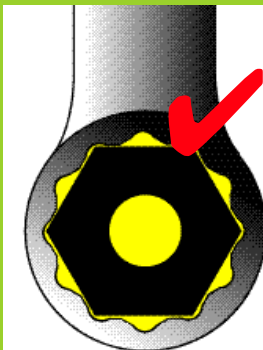

More importantly the reasons why, on occasions, it's worth paying a little more for a product that may look similar to a cheaper alternative but is much better.

Norman Says

"Draper Expert HI-TORQ"™ spanners have 6 or 12 corners with special radius design giving added torque. It also extends the life of the spanner and the fastener.

Standard Bi-hexagon

"Draper Expert HI-TORQ"™

- Gives added torque.
- Extends life of spanner and fastener by reducing the probability of *rounding off.
