MAAK® SCOUT BATTERY

QUICK START GUIDE

FCC STATEMENT

This device complies with Part 15 of the FCC Rules. Operation is subject to the follow two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment on and off, the user is encouraged try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experience radio/TV technician for help

The RF transmitter on this device has not been tested for FCC compliance for those conditions where client transmitters are also in operation.

LEGAL

This battery is meant for use only in conjunction with the appropriate mobile device. Please consult your device packaging to determine whether this battery is compatible with your particular mobile device. Manufacturer is not responsible for any damages to any mobile device incurred through the use of this product. Manufacturer shall not in any way be liable to you or to any third party for any damages you or any third party may suffer as a result of use, intended or unintended, or misuse of this battery in conjunction with any device or accessory other than the appropriate mobile device for which this battery is designed. Manufacturer will not be responsible for any damages you or any third party may suffer as a result of misuse of this battery.

Improper use of this product may result in product damage, excess hear, toxic fumes, fire or explosion, for which damages you, the purchaser, and not Bunker Supply Co. LLC are responsible.

The power reserve should be operated only in open-air conditions. It should not be operated in an enclosed, unventilated space such as a carrying bag, pocket, or purse. Do not store the device in a high temperature environment, including heat caused by intense sunlight. Do not place device in fire or other excessively hot environments.

Do not disassemble this device or attempt to re-purpose or modify it in any manner. If this device is intended by the purchaser to be used by a minor, the purchasing adult agrees to provide detailed instructions and warnings to any minor prior to use. Failure to do so is the sole responsibility of the purchaser, who agrees to indemnify the manufacturer for any unintended use / misuse by a minor. All devices have gone through a thorough quality assurance inspection. If you find that your device is excessively hot, emitting odor, is deformed, abraded, cut or is experiencing or demonstrating an abnormal phenomenon, immediately stop all device use and contact the manufacturer.
