

Overview

The Mokata Kids Bluetooth Headphones (model MOK-B01) are wireless over-ear headphones designed for children aged 2–16+. They feature Bluetooth 5.4 connectivity, a built-in microphone, and a safe volume limit system. The headphones are foldable and lightweight, making them suitable for travel and daily use.

What's in the Box

- Mokata-B01 Headphones
- Type-C Charging Cable
- Aux 3.5mm Cable
- User Manual

Features

Safe Volume Limit

The headphones include a built-in volume limiter with three selectable modes to protect hearing:

- **74 dB** – Recommended for children aged 3–6 years.
- **85 dB** – Suitable for school-age children.
- **94 dB** – Requires parental supervision.

Press the "**dB**" button on the headset to switch between these modes.

Wireless & Wired Modes

- **Bluetooth 5.4** – Provides a stable wireless connection up to 10 meters (33 feet). Compatible with smartphones, tablets, PCs, and other Bluetooth-enabled devices.
- **Wired Mode** – When the battery is low, use the included 3.5mm aux cable to continue listening.

Built-in Microphone

The integrated microphone allows for hands-free calls and voice commands when connected to a compatible device.

Foldable & Adjustable Design

- The headband is adjustable to fit different head sizes.
- The ear cups fold inward for compact storage and easy portability in a school bag or travel case.

Comfort & Durability

- Soft ear cushions provide a comfortable fit for extended use.
- Durable plastic construction can withstand rough handling by children.
- Lightweight design (200 g) reduces pressure on the head.

USB C Charging Cable

Battery & Charging

- **Battery life:** Up to 68 hours of playtime (varies with volume level and usage).
- **Charging time:** Approximately 3 hours via the included Type-C cable.
- **Fast charging:** A short charge provides several hours of playback.

Audio Specifications

- **Driver size:** 40 mm dynamic drivers
- **Frequency response:** 20 Hz – 20,000 Hz
- **Impedance:** 16 Ohms
- **Sensitivity:** 85 dB

Use Guide

Charging the Headphones

1. Connect the Type-C charging cable to the charging port on the right ear cup.
2. Connect the other end to a USB power source (e.g., computer, USB wall adapter).
3. The LED indicator will light up during charging and turn off when fully charged (approx. 3 hours).

Pairing via Bluetooth

1. Ensure the headphones are charged.
2. Press and hold the **power button** (located on the right ear cup) for 3–5 seconds until the LED indicator flashes blue and red.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "**Mokata-B01**" from the list.
5. Once connected, the LED will stop flashing and remain solid blue (or turn off).

Using the Volume Limit (dB Button)

1. Locate the "**dB**" **button** on the right ear cup.
2. Press the button to cycle through the three volume limit modes: 74 dB → 85 dB → 94 dB.
3. The current mode is indicated by a voice prompt or LED pattern (refer to the user manual for exact indicators).
4. Select the appropriate mode for the child's age and environment.

Using Wired Mode

1. If the battery is low or you prefer a wired connection, insert the 3.5mm aux cable into the headphone jack (located on the right ear cup).

2. Connect the other end to your device's headphone jack.
3. The headphones will automatically switch to wired mode; no power is required.

Making Calls

- When connected via Bluetooth, incoming calls will be heard through the headphones.
- Press the **multi-function button** (usually the power button) to answer or end a call.
- Speak into the built-in microphone (located near the right ear cup).

Folding & Storing

1. Rotate the ear cups inward so they lie flat against the headband.
2. Fold the headband at the center joint to reduce the size further.
3. Store in a bag or case to protect the headphones when not in use.
