Model Q12 · In-ear Bluetooth headphones with charging case, IPX7 sweatproof, touch controls, built-in mic.

Overview

The Tiksounds Q12 are true wireless in-ear earbuds designed for everyday listening, workouts, and calls. They feature a compact charging case, touch controls, and Bluetooth 5.0 with CVC 8.0 noise reduction for calls. The earbuds provide up to 6 hours of playback per charge (5–6 hrs typical) and about 36 hours total with the charging case.

Tiksounds Q12 earbuds & case

Secure fit for running & gym

Key features at a glance

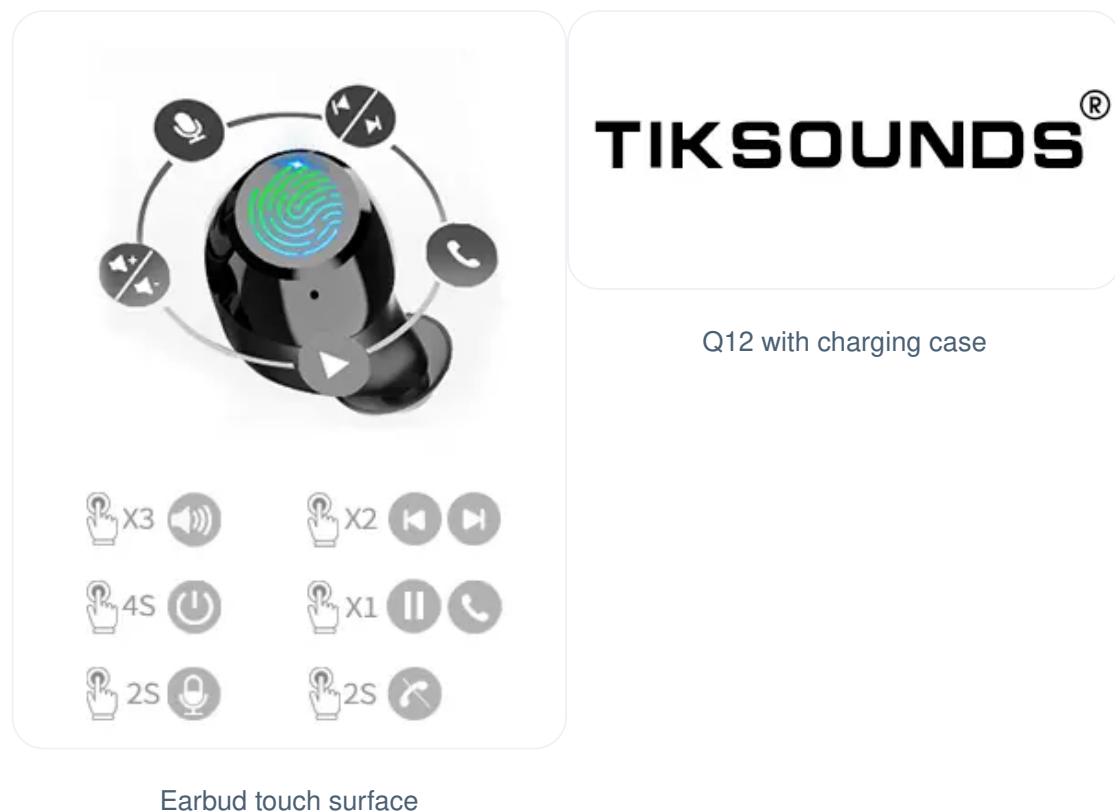

- **Ergonomic mini design** – lightweight (4.9g per bud), three ear tip sizes (S/M/L) for a secure fit.
- **36H total playtime** – 6 hours from earbuds, charging case provides additional charges (600 mAh case).

- **Fast charge** – 10 min charge gives about 1 hour of playback; full charge in ~1 hour.
- **IPX7 sweatproof** – nano-coating protects against sweat and light rain; not for submersion.
- **Bluetooth 5.0 & CVC 8.0** – stable connection, dual mics, reduces ambient noise during calls.
- **Smart touch control** – play/pause, track skip, volume, voice assistant (Siri/Google).
- **Auto pairing** – earbuds power on when case opens and reconnect to last device.
- **Stereo / mono mode** – use both earbuds together or either bud independently.

What's in the box

- 2 × Bluetooth earbuds (L/R)
- 1 × Magnetic charging case (600 mAh)
- 1 × USB charging cable
- 3 × pairs of eartips (S / M / L)
- 1 × User manual / activity card

Product diagram & controls

Touch areas: Each earbud has a capacitive touch surface. The right earbud (R) and left earbud (L) respond to taps and presses as described below.

Features & usage

Battery & charging

- **Earbud battery:** 60 mAh each (button cell).
- **Charging case:** 600 mAh.
- **Playback time:** 5–6 hours per charge (varies with volume).
- **Total with case:** up to 36 hours.
- **Charging time:** ~1 hour for earbuds / case.
- **Fast charge:** 10 min = ~1 hour playback.

To charge: place earbuds in the case; the magnetic pins align. Connect the USB cable to the case (USB-A to micro/standard, as included). The case LED (if any) indicates charging status.

Bluetooth pairing (first time)

1. Open the charging case and take out both earbuds.
2. Remove the insulation film on the charging contacts (if present).
3. Place earbuds back in case for a few seconds, then take both out together – they power on and enter pairing mode. Voice prompt: *“Pairing mode”*.
4. On your phone/device, enable Bluetooth and search for new devices.
5. Select **“Q12”** from the list. Voice prompt: *“Bluetooth pair successful”*.

Auto-reconnect: after initial pairing, earbuds will automatically reconnect to the last paired device when the case is opened and earbuds are removed.

Touch controls (button operation)

R = right earbud, L = left earbud

Action	Command
Play / pause	R or L · single click
Answer / hang up call	R or L · single click
Reject incoming call	R or L · long press 2 sec (during call)
Voice assistant (Siri/Google)	R or L · long press 2 sec (power on, not in call)
Power on (when off)	R or L · long press 2 sec
Power off	R or L · long press 4 sec
Next track	R · double click
Previous track	L · double click
Volume +	R · triple click
Volume –	L · triple click

Note: Some functions may vary slightly depending on device and firmware. If the earbuds are disconnected for more than 6 minutes, they will power off automatically.

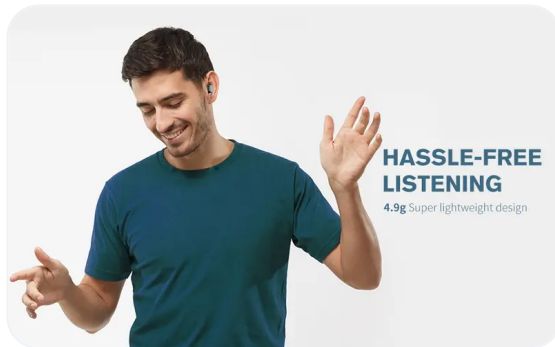

Mono / stereo mode

Both earbuds can be used independently. To use only one earbud, simply take out only the right or left from the case and pair it as a single device. They can also be used together for stereo sound.

Noise reduction & microphone

Each earbud has two microphones with CVC 8.0 noise reduction. This reduces background noise during calls while retaining your voice clarity. Note: this is call noise reduction, not active noise cancellation (ANC).

Design & fit

Secure ergonomic fit

600 mAh charging case

Use guide – step by step

First time start

1. Open the charging case, remove the insulation film from both earbuds' charging contacts.
2. Place earbuds back in the case and close the lid for 10 seconds, then open and take out both earbuds.
3. They will power on automatically and enter pairing mode (voice prompt).
4. On your phone, go to Bluetooth settings, search and select "Q12".
5. After successful connection, you'll hear "Bluetooth pair successful".

Daily use

- **Power on:** take earbuds out of case (auto on) or long-press 2 sec if off.
- **Power off:** long-press 4 sec on either earbud, or place them back in the case (they will charge and turn off).
- **Reconnect:** earbuds auto-connect to last paired device when removed from case.
- **Reset / re-pair:** if connection issues, forget device in Bluetooth settings, place earbuds in case, then repeat first-time pairing.

Charging the earbuds & case

Place earbuds into the charging case. The case has magnetic slots; ensure the charging pins align. Connect the USB cable to the case and a power source. The case charges the earbuds automatically. A full charge of the case takes about 1 hour.

Safety instructions & remarks

- Do not use in high temperature or high humidity environments.
- Do not disassemble, puncture, or incinerate the earbuds (battery is flammable).
- IPX7: sweatproof and rain-resistant, but do not submerge in water.
- If the distance from the device exceeds 10 meters (barrier-free), the earbuds may disconnect.
- Earbuds will shut down automatically if no device is connected for more than 6 minutes.
- Use only the included USB cable or a compatible charger (5V/1A recommended).

Technical specifications

Brand / Model	Tiksounds · Q12
Ear placement / form factor	In-ear, rounded tips
Connectivity	Bluetooth 5.0 (wireless), 2.5mm jack (on case? – not used)
Frequency response	2 Hz – 20 kHz (typical)
Driver	10mm graphene dynamic driver
Battery (earbuds)	60 mAh each, up to 6 hrs playtime
Charging case battery	600 mAh, total ~36 hrs
Charging time	~1 hour (case & earbuds)
Fast charge	10 min = 1 hour playback
Water resistance	IPX7 (sweatproof, light rain)
Weight	25.7 g (total with case), earbud ~4.9g
Microphone	Dual mic with CVC 8.0 noise reduction
Compatible devices	iPhone, Android, Samsung, most Bluetooth devices
Box contents	2 earbuds, charging case, USB cable, 3 pairs eartips, manual

Troubleshooting & tips

- **Earbuds not charging:** clean the charging contacts, ensure insulation film removed, check USB connection.
- **Only one earbud works:** place both in case, take out together; if still mono, reset by forgetting device and re-pairing.
- **Poor sound quality:** try different ear tip size for better seal; keep device within 10m.
- **Voice assistant not responding:** ensure earbuds are connected and not in a call; long-press 2 sec on either bud.
- **Disconnection:** move closer to device, avoid obstacles; earbuds auto-off after 6 min idle.
