

Product: Alpine Muffy Kids Hearing Protection (Purple) – CE & ANSI Certified – Adjustable for Ages 3–16 years – 25 dB Sound Reduction

Overview

The Alpine Muffy Kids is a passive hearing protection earmuff designed for children. It reduces ambient noise by up to 25 dB (SNR) to help protect young ears from loud environments such as parties, concerts, parades, fireworks, and motor races. The headband is adjustable to fit children from approximately 3 to 16 years of age. The product is CE and ANSI certified and has won the 2021 Red Dot Design Award.

Specially designed for kids

Ensures safe protection for your child
and is comfortable to wear.

Recommended Age	3–16 years
Material	Plastic (BPA-free)
Item Weight	0.25 kg (250 g)
Item Dimensions	4.8 x 3.62 x 4.96 inches
Certifications	CE, ANSI

Use Guide

Adjusting the Headband

1. Hold the earmuff with both hands, one on each ear cup.
2. Gently pull the ear cups apart to extend the headband.
3. Place the earmuff over the child's head, ensuring the ear cups fully cover the ears.
4. Adjust the headband height so that the ear cups form a comfortable, snug seal around the ears.

Fits children
of **all ages**

Our recommendation is between
5 – 16 years old

Choose your own style

Folding for Storage

1. Fold the ear cups inward toward the headband.
2. Place the folded earmuff into the included travel bag for protection.

Cleaning

- Wipe the ear cushions and headband with a damp cloth and mild soap.
- Do not submerge in water.
- Allow to air dry completely before next use.

Intended Use Scenarios

- Concerts and music festivals
- Fireworks displays
- Parades and sporting events
- Motor races (car, monster truck)
- Airplane travel
- School or home study (concentration aid)
- Sensory support for children with autism or noise sensitivity

Important: These earmuffs provide passive noise reduction. They do not block all sound. They are not electronic noise-cancelling headphones. Always supervise young children during use.
