

1. Overview

The TAGRY K09 are open-ear wireless Bluetooth headphones designed for sports and active use. They feature earhooks for a secure fit and are constructed with recycled materials.

Key product identifiers:

- **Brand:** TAGRY
- **Model Name:** K09
- **Model Number:** K08
- **Color:** White
- **Form Factor:** Open Ear, In Ear

2. Features and Specifications

2.1 Audio & Connectivity

- **Bluetooth Version:** 5.0

- **Wireless Range:** Up to 10 meters (approx. 33 feet)
- **Frequency Response:** 20 Hz - 20,000 Hz
- **Audio Driver Type:** Dynamic Driver
- **Noise Control:** None (Open-ear design allows ambient sound awareness)
- **Microphone:** Integrated for calls.

2.2 Battery

- **Battery Life:** Up to 80 hours of total playtime with the charging case.
- **Charging:** Via USB charging case.

2.3 Design and Durability

- **Earhooks:** Flexible hooks for secure fit during activity.
- **Water Resistance:** IPX7 waterproof rating. Can withstand immersion in water up to 1 meter for 30 minutes. Suitable for sweat and rain.
- **Control Method:** Touch controls on each earbud.
- **Materials:** Plastic, Silicone, Fabric. Contains at least 50% recycled material (Global Recycled Standard certified).

2.4 Compatibility

Compatible with most Bluetooth-enabled devices including:

- Smartphones
- Laptops
- Tablets
- Smart Speakers

Note: Does not have a 3.5mm headphone jack.

3. What's in the Box

- TAGRY K09 Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual

4. Use Guide

4.1 Charging the Headphones

1. Place the earbuds into the charging case. The case will begin charging them automatically.
2. Connect the provided USB cable to the charging case and a power source (e.g., computer USB port or wall adapter).
3. The case's indicator light will show the charging status. Refer to the case's manual for specific light patterns.
4. Fully charge the case before first use.

4.2 Powering On/Off and Pairing

1. **Power On:** Remove both earbuds from the charging case. They will power on automatically and enter pairing mode (typically indicated by a flashing LED).
2. **Initial Pairing:** On your Bluetooth device (e.g., smartphone), go to Bluetooth settings. Select "TAGRY K09" from the list of available devices.
3. **Connection:** Once paired, the earbuds will connect automatically when powered on and in range.

4. **Power Off:** Place both earbuds back into the charging case. They will power off and charge.

4.3 Wearing the Headphones

1. Identify the left (L) and right (R) earbuds.
2. Gently hook the flexible earhook over the top of your ear.
3. Adjust the earbud so the speaker is positioned near your ear canal. The open-ear design does not insert into the ear canal.
4. Ensure a comfortable and secure fit before starting activity.

4.4 Touch Controls

Tap the touch-sensitive area on each earbud to perform actions. Controls may vary; the following are typical:

- **Play/Pause:** Single tap on either earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold (e.g., 2 seconds).
- **Volume Up/Down:** Typically double-tap or triple-tap on specific earbuds (refer to product documentation for precise mapping).
- **Next/Previous Track:** Typically triple-tap or press and hold.
- **Voice Assistant:** Activate by double-tap or press and hold.

Note: For exact touch control functions, please consult the quick start guide included in the box.

5. Care and Maintenance

- **Cleaning:** Wipe the earbuds and case with a soft, dry cloth. Do not use liquids or solvents.
- **Water Exposure:** While IPX7 rated, dry the earbuds thoroughly with a dry cloth after exposure to sweat or water before placing them in the charging case.
- **Storage:** Store in the provided charging case when not in use to protect the earbuds and keep them charged.
- **Temperature:** Avoid extreme heat or cold. Do not leave in direct sunlight for extended periods.
- **Recycling:** This product contains recycled materials. Dispose of it according to local electronic waste regulations at end of life.

6. Troubleshooting

- **Earbuds won't power on:** Place in charging case to ensure they have power. Charge the case fully.
- **No sound from one/both earbuds:** Ensure earbuds are properly seated in ears. Check Bluetooth connection on your device. Ensure volume is turned up on both the headphones and your source device.
- **Bluetooth connection issues:** Move closer to your device (within 10m). Turn Bluetooth off and on on your device. Place earbuds back in the case, then remove to reset and re-pair.
- **Earbuds not charging:** Check that the charging cable is securely connected. Clean the charging contacts on the earbuds and case with a dry cloth.
- **Poor call quality:** Ensure the microphone on the earbud is not obstructed. Use in a quieter environment if possible.

7. Compliance and Safety

- This device complies with relevant RF exposure limits.
- The product contains chemicals safer for human health and the environment (Global Recycled Standard certified).
- Manufactured under facilities that protect worker rights and health (Global Recycled Standard certified).
- **Warning:** For safety, avoid using headphones at high volume for prolonged periods or in situations where awareness of your surroundings is critical (e.g., while cycling in traffic).
