Model	DB SoundPods
Color Options	White, Black, Brown, Pink
Ear Placement	On Ear (Semi-in-ear)
Connectivity	Bluetooth 5.3
Wireless Range	Approx. 10 m (33 ft)
Audio Driver	13 mm Dynamic Driver
Frequency Range	20 Hz – 20 kHz
Noise Control	None (Passive isolation only)
Microphone	Yes, high-sensitivity mic
Battery Life (Earbuds)	5 hours per charge
Battery Life (Total)	25 hours (with charging case)
Charging Time	Approx. 5 hours for earbuds
Charging Port	Type-C
Water Resistance	IPX5 (sweat and rain resistant)
Weight (per earbud)	0.11 oz (approx. 3.1 g)
Compatible Devices	iOS, Android, tablets, laptops, and other Bluetooth-enabled devices

4. Features

4.1 Ultra-Lightweight & Ergonomic Design

The semi-in-ear design allows your ears to breathe and reduces the "plugged-up" feeling common with silicone tips. At just 0.11 oz, the earbuds are designed for all-day comfort.

All-Day Comfort. Virtually Weightless

The deeply optimized acoustic chamber ensures a comfortable fit, even during extended listening sessions.

4.2 Smart LED Battery Display

The charging case features a digital LED display that shows the remaining battery percentage of the case, so you always know when it's time to charge.

Digital Battery Display Smart Screen

Displays the battery level digitally, with the left and right earphones showing their charge via a progress bar, so you always know when to recharge.

4.3 Instant Pairing (Bluetooth 5.3)

With Bluetooth 5.3, the earbuds automatically enter pairing mode when you open the charging case lid. They will reconnect to the last paired device automatically.

4.4 Touch Controls

Each earbud has a touch-sensitive surface. Use simple taps to control playback, calls, and voice assistant.

4.5 IPX5 Water Resistance

The earbuds are rated IPX5, meaning they can withstand sweat and light rain. Suitable for workouts and outdoor commutes.

IPX5 Sweatproof

The headphones are equipped with a nano-coating, which can prevent splashes from rain and domestic water, as well as sweat corrosion. They are very suitable for your daily use

4.6 Balanced Sound & Clear Calls

Custom-tuned 13 mm dynamic drivers deliver balanced audio with clear highs and warm mids. The high-sensitivity microphone ensures your voice is heard clearly during calls.

Clear & Natural Audio: Experience

clear voice pickup for Zoom and Teams.
Enjoy natural-sounding audio and
reliable connection for seamless,
all-day office collaboration

5. Use Guide

5.1 Charging the Earbuds & Case

1. Place the earbuds into the charging case. Ensure the charging pins make contact.
2. Connect the included Type-C cable to the charging case and a USB power source (e.g., computer, wall adapter).
3. The LED display on the case will show the current battery level.
4. Full charge takes approximately 5 hours. The earbuds provide 5 hours of playback per charge.

Note: The case itself can recharge the earbuds multiple times, providing up to 25 hours total playtime.

5.2 Pairing for the First Time

1. Open the charging case lid. The earbuds will automatically power on and enter pairing mode (indicated by a flashing LED on the earbuds).
2. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select **"DB SoundPods"** from the list.
4. Once connected, you will hear a confirmation tone. The earbuds are now ready to use.

Automatic reconnection: After initial pairing, the earbuds will automatically reconnect to the last paired device when the case lid is opened.

5.3 Touch Control Operations

Use the touch-sensitive area on each earbud to control functions. The table below describes the default gestures:

Function	Gesture
Play / Pause	Single tap (left or right)
Next Track	Double tap (right earbud)
Previous Track	Double tap (left earbud)
Answer / End Call	Single tap
Reject Call	Long press (2 seconds)
Activate Voice Assistant (Siri/Google Assistant)	Triple tap (left or right)

Tip: Ensure your fingers are dry when using touch controls to ensure accurate response.

5.4 Wearing the Earbuds

1. Identify the left (L) and right (R) earbuds.
2. Gently insert the earbud into your ear without pushing too deep. The semi-in-ear design rests comfortably in the outer ear.
3. Adjust the angle for a secure fit. The earbuds are designed to stay in place during light activity.

5.5 Making Calls

- When a call comes in, single-tap either earbud to answer.
- To end a call, single-tap again.
- To reject an incoming call, long-press the touch area for 2 seconds.
- The built-in microphone picks up your voice clearly; speak normally.

5.6 Resetting the Earbuds

If you experience connection issues or want to clear the pairing list:

1. Place both earbuds in the charging case and close the lid.
2. Open the lid and remove both earbuds.
3. Quickly tap the touch area on both earbuds 5 times simultaneously. The LEDs will flash rapidly.
4. Place the earbuds back in the case, close the lid, then reopen to re-enter pairing mode.

6. Compatibility

The DB SoundPods are compatible with most Bluetooth-enabled devices, including:

- Smartphones (iOS and Android)
- Tablets (iPad, Android tablets)
- Laptops and desktop computers with Bluetooth
- Smartwatches
- Audio CD players and MP3 players with Bluetooth

No additional apps are required for basic operation.

7. Troubleshooting

Issue	Possible Cause	Solution
Earbuds not charging	Charging pins not aligned; case battery depleted	Ensure earbuds are seated correctly in case; charge the case via Type-C cable.
No sound or one earbud silent	Bluetooth disconnection; low battery	Reconnect via Bluetooth; charge both earbuds; reset if needed.
Cannot pair	Earbuds already connected to another device	Disconnect from other device; reset earbuds and try again.
Poor audio quality or intermittent connection	Bluetooth interference; distance too far	Move closer to the source device; avoid areas with heavy wireless interference.
Touch controls unresponsive	Wet or gloved fingers; software glitch	Dry hands; reset earbuds.

8. Safety & Care

- Do not expose the earbuds or charging case to extreme temperatures or direct sunlight for prolonged periods.
- Clean the earbuds and charging contacts with a soft, dry cloth. Do not use liquids or abrasive cleaners.
- Store the earbuds in the charging case when not in use to protect them from dust and damage.
- Do not attempt to disassemble or modify the earbuds. The battery is not user-replaceable.
- Keep the earbuds away from small children to avoid choking hazards.
- If the earbuds get wet, dry them thoroughly before placing them in the charging case.

9. Warranty & Support

This product is covered by a limited warranty. For warranty claims, support, or questions, please contact the seller or manufacturer through the Amazon storefront.
