

Overview

The BassBloom Room 3 is a compact, portable Bluetooth speaker designed for versatile use at home or on the go. It features a 12W driver with a bottom-firing passive radiator for enhanced bass, IPX6 water resistance, and dynamic RGB lighting.

What's in the Box

- BassBloom Room 3 Speaker
- Power Cable
- Quick Start Guide

Features

Audio Performance

- **12W Stereo Sound:** Delivers clear, balanced audio suitable for filling a room.
- **JIKE Bass Enhancement Algorithm:** Proprietary technology designed to provide rich, detailed bass even at lower volume levels.
- **Bottom-Firing Passive Radiator:** Increases bass impact by moving more air.

Connectivity

- **Bluetooth 5.4:** Provides a stable, fast-pairing connection with resistance to interference. Maximum range is 10 meters (33 feet).
- **True Wireless Stereo (TWS):** Allows you to pair two Room 3 speakers wirelessly for a left-right stereo experience.
- **USB Connectivity:** Can be used with a USB connection for audio playback or charging.

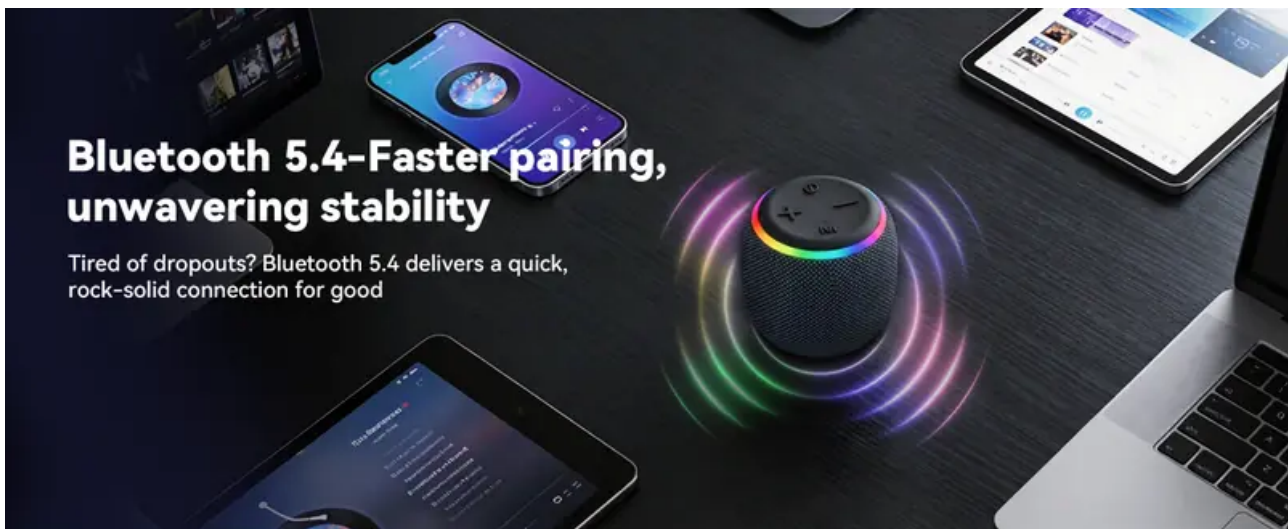

Design and Durability

- **IPX6 Waterproof:** Withstands powerful water jets, such as spills, pool splashes, or rain. Not suitable for submersion.
- **Portable Design:** Compact and palm-sized with a built-in strap for easy carrying.
- **RGB Lighting:** Dynamic RGB light effects on the top ring add visual ambiance.

Battery

- **Playtime:** Up to 15 hours of playback (tested at 50% volume with lights off).
- **Power Source:** Battery powered. One non-standard battery included.

Product Diagram

Key Components:

- **Top Panel:** Contains the control buttons (Power, Volume, Play/Pause, Bluetooth, Light mode).
- **RGB Light Ring:** Located on the top, provides visual lighting effects.
- **Speaker Grille:** Front-facing driver for primary audio output.
- **Passive Radiator:** Bottom-firing for bass enhancement.
- **Built-in Strap:** For portability.
- **Charging Port:** USB-C (or similar) port for charging the internal battery.

Getting Started

Charging the Speaker

1. Connect the included power cable to the charging port on the speaker.
2. Plug the other end into a USB power adapter (not included) or a computer USB port.
3. The LED indicator will show the charging status. A full charge may take several hours.

Powering On/Off

- **Power On:** Press and hold the Power button for 2-3 seconds. The speaker will power on and enter pairing mode.
- **Power Off:** Press and hold the Power button for 2-3 seconds. The speaker will turn off.

Bluetooth Pairing

1. Ensure the speaker is powered on. It will automatically enter Bluetooth pairing mode.

2. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
3. Select "BassBloom Room 3" from the list of available devices.
4. Once connected, you will hear a confirmation tone. The Bluetooth indicator light will become solid.

Usage Guide

Basic Controls

- **Play/Pause:** Press the Play/Pause button once.
- **Volume Up:** Press the Volume Up (+) button.
- **Volume Down:** Press the Volume Down (-) button.
- **Next Track:** Press and hold the Volume Up (+) button.
- **Previous Track:** Press and hold the Volume Down (-) button.
- **Answer/End Call:** Press the Play/Pause button to answer an incoming call. Press again to end the call.

RGB Lighting Control

Press the dedicated Light button to cycle through the available RGB lighting modes or to turn the lights off.

True Wireless Stereo (TWS) Pairing

To pair two BassBloom Room 3 speakers for stereo sound:

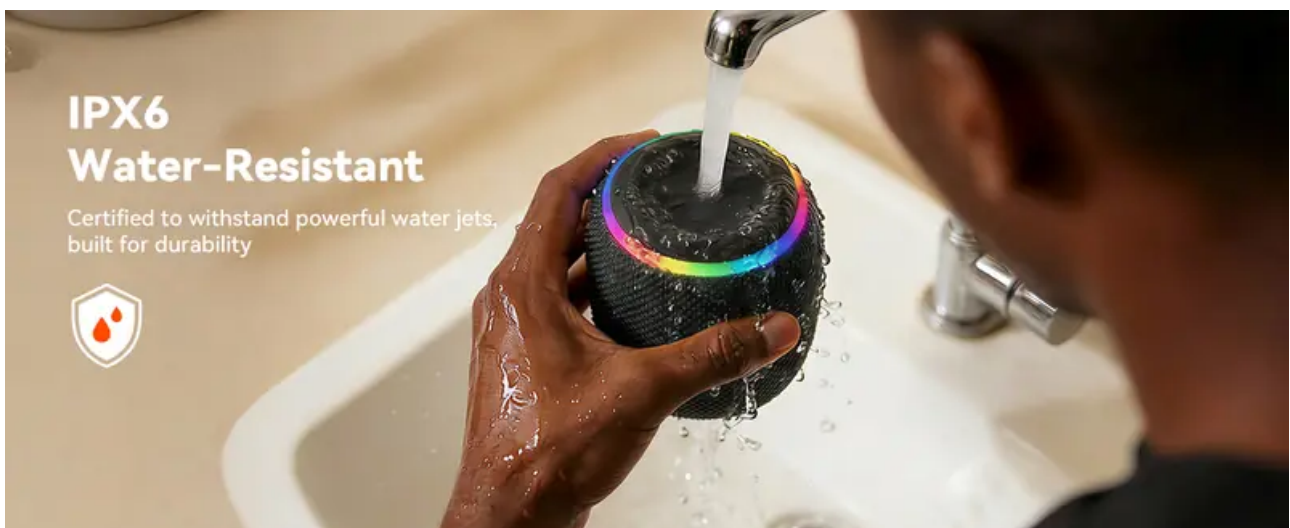

1. Ensure both speakers are powered on and not connected to any other Bluetooth device.

2. On one speaker, double-press the Play/Pause button. The speaker will enter TWS pairing mode.
3. The two speakers will automatically search for and connect to each other. A tone will confirm the connection.
4. Once paired, connect your Bluetooth device to either speaker. Audio will play in stereo (left and right channels).
5. To disconnect TWS, double-press the Play/Pause button on either speaker again.

Note: TWS pairing requires two BassBloom Room 3 speakers.

Water Resistance (IPX6)

The speaker is rated IPX6, meaning it can withstand powerful water jets. It is suitable for use near pools, in the rain, or in the kitchen. However, it is **not** designed for submersion in water. Do not immerse the speaker in water.

Mounting Type	Tabletop Mount
Control Method	Push Button
Compatible Devices	Desktop, Home Theater, Laptop, Smartphone, Tablet
Warranty	1 Year Manufacturer Limited Warranty

Troubleshooting

Speaker will not power on

- Ensure the speaker is charged. Connect it to a power source and try again.
- Press and hold the Power button for 5 seconds to force restart the speaker.

Cannot connect via Bluetooth

- Ensure the speaker is in pairing mode (Bluetooth indicator is flashing).

- Move the speaker and your device closer together (within 10 meters).
- Turn off Bluetooth on your device, then turn it back on and search for devices again.
- Reset the speaker by pressing and holding the Power and Volume Up buttons simultaneously for 5 seconds.

Audio is distorted or cutting out

- Reduce the volume on both the speaker and your connected device.
- Move the speaker and your device closer together to improve the Bluetooth connection.
- Ensure there are no obstacles or sources of interference between the speaker and your device.

RGB lights are not working

- Press the Light button to cycle through the lighting modes. The lights may be turned off.
- If the battery is low, the lights may automatically turn off to conserve power. Charge the speaker.

Safety and Care

- Do not expose the speaker to extreme temperatures or direct sunlight for extended periods.
- Do not drop or subject the speaker to strong impacts.
- Clean the speaker with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- If the speaker gets wet, dry it thoroughly with a soft cloth before charging or storing.
- Do not attempt to disassemble or repair the speaker yourself. Contact BassBloom support for assistance.

Warranty and Support

This product comes with a 1-year manufacturer limited warranty. For warranty service, support, or questions, please contact BassBloom directly through their Amazon storefront or the contact information provided in the product packaging.

Warning

This content is compiled from multiple sources and is provided for reference purposes only. It may not be complete or fully applicable to all situations. If you are unable to resolve your issue, please contact the product manufacturer or an authorized service provider for official support.
