

User Guide Bionaire BWF0502MWM Fan

FAN CLEANING

- Always unplug the fan before cleaning or disassembling.
- Do not allow water to drip on or enter into the fan motor housing.
- Be sure to use a soft cloth moistened with mild soap solution.
- Do not use gasoline, thinner or benzene as a cleaner.
- The fan grills not supposed to be disassembled by user. Recommend to use a small paint brush and a vacuum to clean the fan blades.

FAN STORAGE

- For all window fans, and fans that come already assembled.
- It is important to keep it in a safe, dry location.
- We recommend using the original (or appropriately sized) box.
- Please remember to protect the fan from dust or moisture

YEAR LIMITED WARRANTY

- Sunbeam Products, Inc. doing business as Jarden Consumer Solutions or if in Canada, Sunbeam Corporation (Canada)
- Limited doing business as Jarden Consumer Solutions (collectively “JCS”) warrants that for a period of five years from the date of purchase, this product will be free from defects in material and workmanship. JCS, at its option, will repair or replace this product or any component of the product found to be defective during the warranty period.
- Replacement will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value. This is your exclusive warranty.
- Do NOT attempt to repair or adjust any electrical or mechanical functions on this product. Doing so will void this warranty.
- This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable.
- Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. JCS dealers, service centers, or retail stores selling JCS products do not have the right to alter, modify or any way change the terms and conditions of this warranty.
- This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or alteration by anyone

other than JCS or an authorized JCS service center. Further, the warranty does not cover: Acts of God, such as fire, flood, hurricanes and tornadoes.

What are the limits on JCS's Liability?

- JCS shall not be liable for any incidental or consequential damages caused by the breach of any express, implied or statutory warranty or condition.
- Except to the extent prohibited by applicable law, any implied warranty or condition of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty.
- JCS disclaims all other warranties, conditions or representations, express, implied, statutory or otherwise.
- JCS shall not be liable for any damages of any kind resulting from the purchase, use or misuse of, or inability to use the product including incidental, special, consequential or similar damages or loss of profits, or for any breach of contract, fundamental or otherwise, or for any claim brought against purchaser by any other party.
- Some provinces, states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you.
- This warranty gives you specific legal rights, and you may also have other rights that vary from province to province, state to state or jurisdiction to jurisdiction.

About the information

- 3 Independently controlled comfort settings
- Adjustable thermostat & manually reversible airflow
- Designed for use either horizontally or vertically
- Firm Fit locking extender screen. 5 Year limited warranty
- Reversible Airflow : Manually reverse the fan to intake fresh cool air, exhaust hot stale air or exchange for full room circulation
- The thermostat will remember the previous temperature setting after the unit has been turned off. However, if the unit is unplugged, the thermostat will be reset and will no longer remember the previous temperature setting

NOTE:

- Kindly refer the User Manual available below for assistance

Description

- Get relief from hot weather and stale air using the Bonaire Thin Window Fan with Digital Thermostat. Designed to fit windows with minimum openings of 25.5 inches by 8.0 inches, this window fan unit uses three independently controlled fans to circulate air and provide efficient cooling.

- This window circulator fan comes equipped with an easy-to-operate thermostat dial, and it features three speed settings for personalized comfort.
- The airflow is fully reversible, allowing for intake of fresh cool air, exhaust of hot, stale air, or exchange for full-room circulation. Dual locking extender screens hold the fan rigidly in place, helping ensure a secure fit.
