## PROSPECS GLASSES FRIENDLY DESIGN

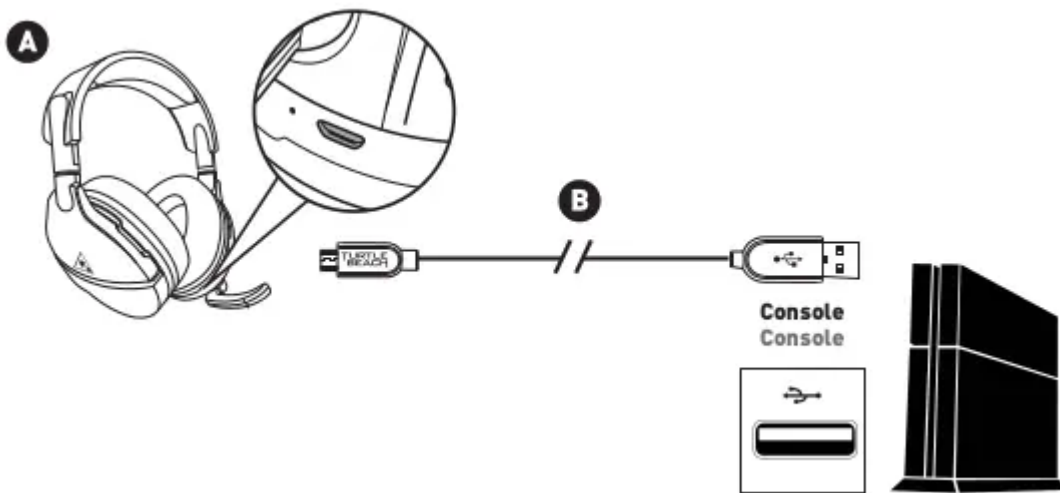

Originally created for the Elite Pro Tournament Gaming Headset, Turtle Beach's exclusive ProSpecs™ glasses friendly technology is built into the Stealth 300, featuring an advanced ear cushion design and materials that allow gamers who wear glasses to finally play in comfort.

## Charging with PS4

The Stealth 300 uses a rechargeable battery. Make sure to charge it regularly.

### Headset Storage:

Always charge your headset before storing it for any extended period of time (greater than 3 months). Never store the unit in temperatures above 113°F/45°C.

## Charging with XBOX

1. Plug the Micro-USB end of the USB Charge Cable into the headset.
2. Plug the USB end of the USB Charge Cable into a free USB port on the console itself.
3. The headset will charge to full within a few hours. When fully charged, the LED will blink Green.

The headset will charge to full within a few hours. Once charged, the headset will have a battery life of over 40 hours.

Be sure to charge the headset regularly. Always charge your headset before storing it for any extended period of time (greater than 3 months). Never store the unit above temperatures of 113°F/45°C.

## Remove the ear pad

1. Remove the left ear pad, start by pulling the ear pad straight up using your thumb.

2. Once you've released the cloth from the lip on top, pull the ear pad straight back and it should slip right off.

To replace the ear pad, follow the same process in reverse.
