

## Operation

Mounting Location.

Place the rain gauge in an open area away from roof lines or water runoff. For accurate measurements, do not place near water runoff from a roof line or any other structure.

Mounting Instructions.

1. Use screws (not included) to mount the top bracket to a deck/fence rail or top of a stake.
2. Slide the rain gauge in or out of the mounting bracket for installation, emptying and cleaning. Be sure to insert floating rain level marker.

## Features

- Measures backyard rainfall.
- Stylish easy-to-read design.
- Rain collector slides off bracket for emptying and cleaning.
- Floating rain marker for easy viewing.
- Use the included mounting bracket to mount to a post or fence.

## Specifications

Measures Up to 5" of rain

**Dimensions:** 8.45" L x 3.5" W x 8" H
